Information Diving Course 2017/2018

General information

During this diving course you will learn about all aspects of this fascinating sport. We focus on the practical aspects of diving, but there will also be a few theoretical lessons as well as some (home) study. The practical part of the course will include a few snorkeling lessons and an explanation of the use of scuba diving flasks. The course ends with a 'diving weekend'. After completing the course you can obtain a PADI (open water) license.

Location: SSC Swimming pool/ Conference room
Starting date: 4 times a year.
Duration: 8 lessons of 2 hours, once a week.
Lesson schedule: Tuesday evening from 21:00-23:00.
Materials: materials will be provided by the SSC.
Clothes: swimming gear
Level: good swimming skills are mandatory
Goal: training to achieve the PADI Open Water Diver license.
Costs: €299,- incl. diving weekend (costs of the lessons are €195,-)

Registration procedure: You can register by going to our website, log in and go to course registration. Registration is valid as soon as your payment has been processed. It’s possible that the processing of the payment takes some time. When the system signs you out, you can register again. The course will take place when there are enough participants. There are limited places available. Do you want to know when the next registration period opens, please send an e-mail to Miss Manon van Lint: ssccursus@tue.nl.

Extra:

Besides practicing there will also be theoretical lessons, which include working with compressed air, safety regulations, working together with you buddy, etc.

For questions about the course, you can contact Miss Manon van Lint, coordinator courses: e-mail: ssccursus@tue.nl  tel: 040-247 5002
